### CURRENT LEAVE OF ABSENCE FORM (TRB FORM 53X)

The Teachers' Retirement Act gives you the opportunity to purchase retirement credit for formal leaves of absence granted by your employing Connecticut Local School District.

The majority of approved leaves are granted without pay. Occasionally, there are leaves granted with pay for reasons such as sabbatical. Regardless, the salary paid or which would have been paid while on a leave **may not be used in determining your final average salary for purposes of computing retirement benefits.**

An absence due to illness for which you are receiving accrued sick leave as provided by Section 10-156 of the Connecticut General Statutes is not considered as a leave of absence. If you are receiving accrued sick leave benefits, your Local School District should continue to report you as an active contributing member through the monthly transmittal process.

You may elect to pay the monthly mandatory contributions while on an approved leave of absence for a total of ten (10) school months during your career for any leave occurring on or after July 1, 1986.

This form must be completed by you and your employer and forwarded to this office a minimum of two months prior to the effective date of your approved leave. This is extremely important for leaves taken at the end of the school year (i.e. April - June). Upon receipt of this form, CTRB will notify you of the amount due and payment options. The amount due will be the 7.25% mandatory contributions based the annual salary rate that you would have received if actively employed at full-time (100% FTE).

It is your responsibility to make payment for your approved leave of absence directly to CTRB. Your Local School District may not deduct and/or transmit approved leave of absence payments through the transmittal process.

Your payment options are as follows:

- Equal monthly payments during the ten school months in which the leave began.
- Lump sum payment at any time during the ten school months in which the leave began.

Your approved leave of absence must be paid in full by the last day of the approved leave period in order to be purchasable by this method.
